

Florida City Gas ECP Commercial Appliance Program Terms and Conditions

Terms and Conditions: Rebate allowances applies for commercial customers of Florida City Gas who have a current gas account in good standing and who are purchasing a new commercial natural gas water heater, fryer, range or clothes dryer appliances to replace a commercial electric appliance with a natural gas appliance in existing premises or to replace their existing natural gas commercial appliances or for new construction (New bricks and mortar, complete renovation, change of occupancy) or to convert their existing propane appliances to utilize natural gas in commercial businesses. Rebate allowances may be applied to cover the cost of the new appliance and any out of pocket costs incurred by the customer in installing the appliance, including costs of applicable permits. Florida City Gas' Energy Conservation Programs are in effect unless suspended by order of the Florida Public Service Commission. Retention rebates may be paid on sliding scale found on FloridaCityGasRebates.com. Rebate requests submissions and supporting documentation must be submitted within 120 days of purchase and installation of qualifying appliance. Pre-approval is required. No exceptions. Program is good for purchases of appliances installed in the Florida City Gas service territory only. You must provide all the information requested in the submission form and deliver supporting documentation as required in order to be eligible, including a copy of proof of purchase (receipt or invoice), proof of lease (if applicable), before & after pictures of the job site, proof of customer consent to these terms and conditions and assignment of rebate payment (if applicant is installing contractor or leasing agent), and proof of installation (i.e. work order, receipt, or supporting documents). The contractor performing the installation must comply with all local, state and federal rules and codes and must be appropriately licensed and insured for the work performed. By submitting a claim, you consent our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at www.floridacitygas.com. Employees of Florida City Gas, dealers, and retailers are eligible to participate in this program so long as they meet all other criteria. Please allow at least eight weeks after your completed claim (including supporting documentation as required per program) is received to receive your rebate. Rebates will be paid in U.S. dollars. Rebates may be fulfilled, at the discretion of Florida City Gas, via a check, in which event rebate offer expires for this submission if rebate check is not cashed within 90 days of check date. Florida City Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of Southern Company Gas. Incomplete entries will not be processed and customer will be notified of missing information. Florida City Gas reserves the right to substantiate sales receipts, serial numbers and installation information, and to request additional documentation. Physical inspection for verification of claims may be required. If multiple purchases that qualify for Energy Conservation Program are on the same receipt, please include online summary form printouts and supporting documentation for each appliance in one envelope, and circle the product and purchase price on the sales receipt. To check the status of your rebate call 305-835-3634. Florida City Gas is in no way responsible for the installation, quality of installation, or quality of natural gas appliance(s) for which you submit a rebate claim under the Energy Conservation Programs. Any concerns regarding installation should be directed to your installer, and any concerns regarding natural gas appliances or equipment should be directed to the manufacturer. Rebate claims may only be submitted by individuals above the age of majority in the State of Florida. Offer void where prohibited by law. Keep a copy of your submission for future reference.

Additional Terms and Conditions for Rebates Submitted by Installing Contractors: The installing contractor may apply for the rebate only if such contractor offers at least the rebate amount as a discount on the customer's invoice, the customer agrees in writing to assign the rebate to contractor and to accept these rebate terms and conditions, the customer is a qualifying Florida City Gas customer and all other terms and conditions are fulfilled hereunder. Only one rebate submission per appliance - either by the customer or the installing contractor, but not by both - will be accepted.

Tax Information: Payments made to contractors, business customers or landlords may be taxable under federal and state tax codes. If payments total more than \$600 per calendar year, they will be reported to the Internal Revenue Service. Florida City Gas is not responsible for providing advice regarding any taxes that may be imposed as a result of participation in energySMART. Participants should consult a tax accountant or advisor regarding potential tax liability. Florida City Gas is not responsible for any taxes that may be imposed on your business as a result of these payments.

Allowances: The program provides mail in incentives for commercial customers based on customer class up to \$10,000 limit per year (12 months following issuance of rebate payment) aggregate of all appliance rebate regardless of appliance type for new construction and gas to gas.
